*Dedicated to rescuing poodles and enriching the lives of those who adopt them.*

Norcal Poodle Rescue, Inc. invites you to support our

## “Kennel Renovation Fund Drive”

Our organization is dedicated to rescuing poodles and poodle mixes and enriching the lives of those who adopt them. We serve Northern California and Southern Oregon. NCPR is a non-profit, tax-exempt, section 501(c)(3) organization, taxpayer ID (EIN) 94-3192264. NCPR is entirely a volunteer organization. Ninety-seven per cent (97%) of all funds are dedicated directly to the care of our rescue poodles and poodle mixes with the remaining three percent (3%) used for administrative costs.

We are supported by adoption fees, tax-deductible donations, the generous support and services of pet care businesses, volunteer time and now the added opportunity for you to support our “Kennel Renovation Fund Drive.”

NCPR boards most of our adoptable poodles. Recently, we have been able to rent our own self-contained kennel space with 11 runs. This space allows us to increase the number of poodles we rescue, provide more personal care for our poodles and have better management of our boarding costs. To improve this kennel space for the poodles, we will fence a large exercise yard, add a door from the kennel directly to the yard and add windows for ventilation. One corner will be redesigned for grooming and treatments with a grooming table, sink and storage. The total cost is approximately \$7000.00.

Here is how to support our “Kennel Renovation Fund Drive”:

Please check the renovation category that you would like to support and fill in the dollar amount that you would like to donate. In appreciation, your name will be added to the “Kennel Renovation Donor Wall of Honor.”

	Estimated Amount Needed	Amount Donated
<input checked="" type="checkbox"/> 1 Door	\$250.00	\$250.00
<input checked="" type="checkbox"/> 2 Gates	\$300.00	\$300.00
