Norcal Poodle Rescue, Inc. invites you to

“SPONSOR A POODLE”

Our organization is dedicated to rescuing poodles and poodle mixes and enriching the lives of those who adopt them. We serve Northern California and Southern Oregon. NCPR is a non-profit, tax-exempt, section 501(c)(3) organization, taxpayer ID (EIN) 94-3192264. NCPR is entirely a volunteer organization. Ninety-seven per cent (97%) of all funds are dedicated directly to the care of our rescue poodles and poodle mixes with the remaining three percent (3%) used for administrative costs.

We are supported by adoption fees, tax-deductible donations, the generous support and services of pet care businesses, volunteer time and now the added opportunity to “SPONSOR A POODLE.”

Some of our poodles are surrendered in poor health and require costly medical attention. Our rescue and adoption efforts require fostering, boarding, training, veterinary care, grooming and microchipping. We also spay and neuter each poodle before placement. Our 2010 costs averaged \$420.00 per poodle.

Now, your generosity can be expressed by sponsoring one of our rescue poodles or poodle mixes. We thank you in advance for your generous support of our organization.

How “SPONSOR A POODLE” works:

Please choose the level of donation that’s right for you. We will either bill your credit card on the first of each month for one year or we can accept a convenient one time amount for the entire year.

You will receive a profile and picture of a needy poodle* who deserves a loving home. In addition, you will receive a special thank you gift.

Please check from the choice of poodle categories below. Circle the level of support, check the desired payment schedule and complete the billing information.
